ABOUT ME

I am an enthusiastic and motivated aspiring Front-End Developer with a strong foundation in HTML, CSS, JavaScript, and React. I have experience in developing responsive and user-friendly web designs through personal projects and coursework. I am eager to contribute to a dynamic team and grow professionally in a challenging front-end development role. I am ready to put in all my effort and time to become a skilled programmer.

I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).
